CHAIRMAN'S MESSAGE

Dr. Khalifa Bin Faisal – Chairman

“The business world is transforming – and Gulf Titans International is at the forefront of that change. From our origins as a regional trader to becoming a diversified global group, our philosophy has remained constant: transparency, integrity, and excellence.

We believe in leadership through partnership – building long-term alliances with governments, national entities, and global partners to deliver sustainable growth. Our goal is not only to trade, but to do so responsibly and efficiently, contributing to the prosperity of nations and the evolution of more sustainable solutions.”

“At Gulf Titans, we don't just participate in markets – we help define them.”

VICE CHAIRMAN'S MESSAGE

Dr. Ahmed Shaban – Vice Chairman

“Gulf Titans International was founded on trust – the trust of partners who rely on us to deliver, to perform, and to uphold our commitments. Every transaction we undertake carries our signature of reliability, precision, and transparency.

Our operations today span continents – connecting producers, suppliers, and buyers across the Middle East and Africa with key markets in Asia and Europe, and working alongside leading global partners across our fields of activity.

As we continue expanding our footprint, our focus remains on innovation, sustainability, and excellence – building strong bridges across supply chains and systems to support the needs of tomorrow's world.”

EXECUTIVE TEAM MESSAGE

“Behind every shipment, every contract, and every negotiation stands a team driven by passion, discipline, and expertise.

Gulf Titans International is built upon the experience of professionals who understand the complexities of global markets – and the responsibility that comes with operating across critical supply chains.

We work as one team, driven by innovation and guided by integrity – ensuring that every partner who works with us experiences the hallmark of reliability that defines Gulf Titans.”

OUR HISTORY

Our journey began in Egypt in 2012, where Gulf Titans first entered the global commodities market through the trading of agricultural and essential food products.

Over the years, our network expanded to Russia, Ukraine, Brazil, India, and Egypt, building trusted relationships with farmers, producers, and distributors across continents.

In 2023, we proudly established our regional headquarters in the United Arab Emirates, marking a new era of global integration and operational excellence in international food trade and logistics.
